

Collars/Harnesses

Dogs are required to come into daycare with any type of collar on, to give staff a way to grab a hold of the dog and leash it up, in the event of a fight.

Dogs are required to wear a proper fitting martingale collar for walks. Martingale collars are mainly cloth collars, with a bit of chain, which are made to always release. This also ensures that the dog cannot become free during a walk, as clip collars may come undone on walks.

A front loading harness such as a sensible harness and/or a gentle leader is permitted with the use of another collar.
